

2020 Coeur de Cuisine Restaurants

We hope you are all safe, healthy and sheltering in place. That said, we all continue to eat and at the same time we can support the restaurants that support our 2020 Coeur de Cuisine event. Many of us will be ordering food to go for pick up or delivery to our homes.

Listed below are this year's restaurants, phone number and a brief comment. The list was compiled March 19 and may change over time but is still a nice Escondido Rotary place to look for good meals. It will build goodwill and better friendships for everyone.
