

SPU Elective Opportunities

VAPA

- CSUSM Arts Ambassador's Quarantine Masterpiece's (with Miss Tyler on Facebook)
 - Open to all SPU students.
 - Email Ariell Tyler at arielle.tyler@sanpasqualunion.net for more information.
- Join the VAPA Google Classroom with code fqxaol7 for VAPA projects.
 - Open to 6th-8th grade students.
 - Email Mrs. Read-Smith at kim.read-smith@sanpasqualunion.net for more information.

Coding (6th-8th grade only)

- Students will participate in Code Express, a self-paced coding class.
- This class is for 6th-8th grade:
 - Students new to coding
 - Students who have taken Code Studio and want to keep learning.
- Join the Code Studio Google Classroom with the code s7v6re5.
- Email Mrs. Priest at ginny.priest@sanpasqualunion.net so she can set up a Code.org account for you.

Languages (K-8th students)

- **American Sign Language:**

- Learn basic ASL through weekly videos with vocabulary and instruction.
- Join Ms. Mallory's Google Classroom with the code: fcrjf6j
- Email Ms. Mallory at jolene.mallory@sanpasqualunion.net for more information.

- **Duolingo:**

- Students will participate in Duolingo, a self-paced language class.
- This class is for:
 - Students who are new to Spanish, French or other foreign languages
 - Students who have taken Spanish and/or French at SPU and want to continue learning.
 - Students who already speak a foreign language and want to learn and improve vocabulary, reading and writing in that language.
- Email Mrs. Romero at julie.romero@sanpasqualunion.net with the language you'd like to learn, and whether you are new to Duolingo or not.

Poetry (5th-8th grade students)

- Students will explore various forms of poetry as well as learn terminology relating to poetic forms.
- Any student who loves to write and play with words is welcome to participate.
- Email Ms. McLaughlin at kris.mclaughlin@sanpasqualunion.net for more information.
