

**San Pasqual Union School District  
PARENTS' RIGHT-TO-KNOW  
LETTER REGARDING USE OF PESTICIDES**

Dear Parent or Guardian,

The Healthy Schools Act of 2000 requires all California school districts to notify parents and guardians of pesticides they expect to apply during the year. The pesticides we apply at our school only have a caution sign on the label. We buy these products at a local garden supply store. We contract out to a private vendor to control bugs and rodents at the school who apply control products on non-school days.

We intend to use the following pesticides on our school grounds this year:

<b>Name of Pesticide</b>	<b>Active Ingredient(s)</b>
Weed Defeat (Round-up) 4 oz per gal.	Glyphosphate
Weed-B-Gone 1 oz per gal.	Dimethylamine salt of 2,4D
Maxforce Fine Granule Insect Bait	Hydramethylnon
Maxforce Ant Bait Station	Fipronil
Maxforce Roach Bait Station	Fipronil
Eaton Rodenticide	Diphacinone
Termidor	Fipronil
Omega Gopher Grain Bait:	Strychnine
Confrac Rodenticide	Bromodiolone
Terad 3	Cholecalciferol
ZP Rodent Bait:	Zinc Phosphide
Fumitoxin	Aluminum phosphide
Suspend	Imidicloprid

You can find more information regarding these pesticides and pesticide use reduction at the Department of Pesticide Regulation's web site at <http://www.cdpr.ca.gov>

If you have any questions, please contact Director of Maintenance and Operations, at 760-745-4931.

**SAN PASQUAL UNION SCHOOL DISTRICT  
2016-2017 ANNUAL PESTICIDE NOTIFICATION REQUEST**

PARENTS: PLEASE READ AND COMPLETE THE INFORMATION BELOW AND RETURN IT TO YOUR SCHOOL PRINCIPAL

Parents/guardians can register with the school to receive notification of individual pesticide applications. Persons who register for this notification shall be notified at least seventy-two (72) hours prior to the application, except in emergencies, and will be provided the name and active ingredient(s) of the pesticide as well as the intended date of application.

Parents/guardians seeking access to information on pesticides and pesticide use reduction developed by the Department of Pesticide Regulation pursuant to California Food and Agricultural Code 13184, can do so by accessing the Department's web-site at [www.cdpr.ca.gov](http://www.cdpr.ca.gov).

- I would like to be pre-notified every time a pesticide application is to take place at the school. I understand that the notification will be provided at least 72 hours before the application.
- I do not need to be notified every time a pesticide application is to take place at the school. I understand that the notification will be posted at least 24 hours before the application.
