To promote prompt and fair resolution of the complaint, the following procedures shall govern the resolution of complaints against unit members:

1. Every effort should be made to resolve a complaint at the earliest possible stage. Whenever possible, the complainant should communicate directly to the employee in order to resolve concerns.
2. If a complainant is unable or unwilling to resolve the complaint directly with the employee, he/she may submit an oral or written complaint to the employee's immediate supervisor or the Superintendent/designee.
3. When a written complaint is received on the District Complaint Form, the unit member shall receive a copy of the complaint within five (5) duty days. The period of notification shall be extended by the appropriate number of duty days when either the unit member or the principal or immediate supervisor is absent during the five (5) duty day period.

DISCIPLINE PROCEDURES

- A. The District may discipline a Unit member only for just cause. As a general rule, the District may start with the first step of progressive discipline and may proceed to the next step each time the employee repeats the same unsatisfactory conduct within twenty-four (24) months. Where appropriate, the disciplinary action shall be progressive in nature.

The steps of progressive discipline generally include the following sequence: Oral Warning/Conference, Written Warning, Letter of Reprimand, Unsatisfactory Evaluation, Suspension without Pay, Dismissal. No documentation of verbal and/or written warning shall be placed in the Unit member's personnel file unless the progressive discipline escalates to at least the Letter of Reprimand stage. Should a Letter of Reprimand need to be issued, any documentation of previous progressive discipline steps related to same unsatisfactory conduct may be referenced or attached and placed in the Unit member's personnel file.

The District's goal of progressive discipline is to correct unsatisfactory employee performance. It is the intention of the District to take a corrective rather than punitive approach to discipline.

The Unit member will be given the opportunity to attach a written statement to the disciplinary document.

Progressive discipline steps may be skipped based on the severity of the employee's conduct. Progressive discipline steps may also be repeated in an attempt to correct unsatisfactory conduct.

The purposes of the evaluation system are to improve the delivery of educational services; improve instruction; provide constructive assistance to unit members; and rate the service of unit members to the District.

1. Lesson Plans

All unit members will be responsible for preparing daily lesson plans and having them available for review; however, they will not be required to turn in lesson plans. If a unit member fails to leave lesson plans for substitutes on at least two (2) occasions within a school year, excepting unforeseen circumstances discussed with the unit member and administrator, he/she may be required to turn in lesson plans for the remainder of the year.

The Summative Evaluation is reviewed and signed during this conference. When agreement cannot be reached, the District evaluator maintains final responsibility for evaluation. The certificated unit member may submit a written response to the summative evaluation within five (5) days. If there are two or more areas marked "Emerging" the overall performance is determined as "Emerging".

The Summative Evaluation shall not be based on unsubstantiated information.

5. Employee Assistance Plan

Assistance Plans are written in three instances: 1) Voluntarily, 2) Unsatisfactory evaluation, 3) Performance concerns outside the evaluation process. An Employee Assistance Plan will provide agreed upon resources to support improvement of identified deficiencies. The District evaluator will have the final decision if there is disagreement of these resources. Employee Assistance Plans will be

placed in the certificated unit member's personnel file along with the Formal Evaluation Plan; except when the Assistance Plan was voluntary.

The Employee Assistance Plan will be terminated after the certificated unit member receives two (2) formal evaluations (one-school year) of "Applying" or better. The District evaluator may terminate an Employee Assistance Plan by writing a memo to the file explicitly stating the plan has been successfully completed and the terms have been fulfilled.

6. The evaluation and assessment of a unit member's performance shall not include the use of publisher's norms established by standardized tests.

**“Certificated Evaluation
Program”**

“CEP”

At the core of the San Pasqual Union School District (SPUSD) Professional Development Plan, is collaboration between the teacher and the administrator, with the ultimate goal being improved student performance, improved teaching practice, and professional growth of teachers. Professional growth is essential to improving student achievement. Evaluation of teaching practice is interconnected with professional growth.

In support of improving student achievement, the California Department of Education and the California Commission on Teacher Credentialing developed the California Standards for the Teaching Profession (CSTP). The CSTP are designed to guide teachers as they define and develop their teaching practice. The SPUSD Professional Development Plan is intended to aid teachers in their professional growth, using the CSTP as guidelines.

In recognition of teachers, and in response to their individual needs, the SPUSD Professional Development Plan is designed to support, encourage, and evaluate the success of teachers who have received overall ratings of “satisfactory” on prior teacher evaluations, and to provide non-tenured teachers and teachers on Assistance Plans with the additional guidance and support they deserve, as they progress in developing their teaching practice. In all cases, teachers and evaluators collaborate to establish a Professional Development Plan (PDP) that meets the individual needs of the teacher.

Observations and classroom visitations allow administrators to observe the activities taking place in support of student achievement. In addition, observations ensure that teachers will have many opportunities to demonstrate their development toward aligning their teaching practice with the CSTP.

The philosophy embodied in the SPUSD Professional Development Plan is that collaboration between teachers and their evaluators will improve teacher performance and stimulate professional growth. The result will be improved student achievement and greater success for everyone in our school community. The process will be meaningful and beneficial to the interest of students, teachers and administrators.

All certificated employees are to use this system, with all its elements. Those whom they support are to be considered their “students.”

Classroom Visitation: The purpose of these visitations is to provide opportunities for the Certificated Unit Member and Administration to reflect on the professional growth process. Administration make frequent classroom visitations related to the progress of Certificated Unit Member's CEP and the CSTP. Classroom visitation may or may not include written or verbal feedback from the Administration; however, the Certificated Unit Member may initiate a follow-up conversation if desired.

Observations: Observations require a minimum of 20 minutes and a post-observation conference. Certificated Unit Members receive a minimum of two observations, the first of which must be prior to January 31st and the second prior to May 1st. Although best practice is for every observation to be preceded by a pre-conference, it is up to the discretion of Administration to hold a pre-conference. Administration may make an unscheduled observation at any time. The above-mentioned dates may be extended by mutual agreement between the Association and Administration.

An observation must precede issuance of all Assistance Plans.
Either Administration or Certificated Unit Member may initiate a classroom visitation or observation.

PURPOSE

Observations and classroom visitations serve to allow administrators to observe the activities taking place in support of student achievement. In addition, observations ensure that teachers will have many opportunities to demonstrate their development toward aligning their teaching practice with the CSTP.

RATIONALE

The CEP is designed to encourage frequent classroom visitations. Observation and input for the specific purpose of supporting teacher improvement helps to overcome the isolation and uncertainty that characterizes a great deal of teaching

Prior to 30 days before the end of school, Administration prepares the Summative Evaluation. Using all data collected from classroom visitations, written reflections, and other sources of data, Administration and Certificated Unit Member discuss progress and various evidence.

The Summative Evaluation is reviewed and signed during this conference. When agreement cannot be reached, Administration maintains final responsibility for evaluation. The Certificated Unit Member may submit a written response to the evaluation. Any such response is attached to the Summative Evaluation prior to placement in Certificated Unit Member's personnel file. If there are areas of concern, Certificated Unit Members are notified in the Summative Evaluation and an Assistance Plan may be developed with the Certificated Unit Member.

Assistance Plans are written plans, with timelines, to help employees who voluntarily request assistance, or for whom remediation is recommended by their evaluator. Employee Assistance Plans will not be required in instances of egregious behavior by employees or when notices of unprofessional conduct have been issued. (Master Contract, Article 16.A.5)

- An evaluator may write an Assistance Plan for an evaluatee any time there is a concern with their performance, including those not "on-year."
- Assigning an Assistance Plan does not automatically put one "on-year."
- All Assistance Plans must be preceded by and concluded with an observation. In the case of an unscheduled observation, a pre-conference is not required.
- **When does an Assistance Plan come into effect?**

✓ **Voluntary. Request by Certificated Unit Member**

✓ **Unsatisfactory Evaluation.** If an "on-year" Certificated Unit Member receives two (2) consecutive years with an overall rating of "Emerging or Exploring", the evaluator must write an Assistance Plan. If any areas of the Certificated Unit Member's Summative Evaluation are marked "Emerging or Exploring", a Performance Evaluation Addendum-Assistance Plan must be completed and attached to the Summative Evaluation.

✓ **Performance concerns outside the evaluation process.**

- **An Assistance Plan is terminated when a Certificated Unit Member successfully completes all the goals of the plan.**
 - ✓ Administration terminates an Assistance Plan by writing a memo to file explicitly stating the plan has been successfully completed and is terminated. All Assistance Plans and terminating "memos to file" will be copied to Certificated Unit Member's personnel files.
